

Mr. Seemann called the Bristol Township Zoning Hearing to order on Tuesday August 23, 2016 at 6:30 PM with the following Trustees present:

Mr. Seemann, present

Mr. French, absent

Mr. Webb, present

Trustee Seemann thanked the Zoning Commission members for the work done on Section 40, Business District.

Section 40 is a description of the geographical boundaries of the Business District in Bristol Township.

The current description is 9 paragraphs and uses out dated descriptions to describe the boundaries of the commercial area of Bristol Township.

The new shortened description is more concise, descriptive, and understandable. It describes businesses that are outside of the boundaries and excludes property owned by the Township of Bristol.

The Zoning Map has been updated to reflect the current residential businesses and industrial districts of the Township.

Trustee Seemann asked for any comments or questions from the audience.

Mr. Webb moved to adjourn at 6:35. Mr. Seemann seconded the motion.
