

Zoning Report February 17, 2020

issued zoning certificate for agricultural building

measured off for number for the building

property on Hyde Shaffer has removed the dumpster and will coordinate with Health Dept. for rest of the clean up.

No movement with property on 45 and will be sending out 2nd notice in couple weeks.

Answered question about trailers being allowed in the township.

Answered question from Katie Phillips Planning Commission and informed her about township website so she can print zoning book off.

Respectfully submitted, Ellen Gordon, Zoning Inspector
