Discussions

Trustee Seemann read a letter that went out to Farmington Township to start discussion to form a joint Fire District. Trustees & Fire Chief have concerns about the constant burden to the tax payers to keep the Fire/EMS services as they currently are. Forming a Fire District could help neighboring communities work together at a more reasonable cost to tax payer with the same or better service to residents. A grant to do a feasibility study can be obtained to help with the cost of the study.

Mr. French read a letter to the Mespotamia Trustees inquiring about contracting for EMS services with Bristol Township.

Mr. Webb moved to pay all outstanding invoices incurred and approve all warrants issued. Mr. French seconded the motion.
